**FAA Certificated Air Carrier EV6A775H  
ARG/US and Wyvern Approved  
Since 1982**

**Inde Motorsports Ranch (IMR) and Executive Aircraft Charter (EAC) have teamed up to provide convenient, reliable, safe and value added air transportation to members and guests of Inde Motorsports Ranch to/from various locations in the Southwestern United States.**

**EAC can offer service to/from the Cochise County Airport in Wilcox, AZ (only minutes drive from the IMR facilities), giving members and guests added flexibility to participate in many of the activities IMR has to offer. Often times, due to our busy lifestyles and business/personal obligations – ‘time’ can be one of the most difficult challenges to manage, and can preclude us from the opportunity to enjoy the finer and ‘more fun’ things in life. When you consider that air transportation can literally save you hours and hours of road travel time, your day at IMR can be extended longer, your day will be much more efficient, get more track time and ultimately – your visit to IMR will be more relaxing and enjoyable.**
